The screenshot displays the IBM Cognos Analytics with Watson user interface. At the top, a navigation bar includes the product name, a search icon, and a user profile icon. Below this, a blue banner indicates a maintenance status: "Maintenance: Scheduled maintenance completed. Click here for more details." To the right of the banner, a progress bar shows the file "Analyzing salesmonthly.csv" being processed, with "Cancel" and "Details" buttons. Further right, a "Dismiss" button and a "More info" link are visible. The main content area features a welcome message: "Hello. Welcome to Cognos Analytics with Watson." followed by instructions to get started via an introduction video, product tour, or Getting Started tab. Two buttons, "Watch video" and "Take a product tour", are provided. To the right of the text is a 3D isometric graphic of blue cubes. Below the main content, a "Quick launch" section offers four options: "Upload data" (with an upload icon), "Prepare data" (with a data module icon), "Exploration" (with a magnifying glass icon), and "Present data" (with a presentation icon). Each option includes a brief description of its function.
